

PELICAN CRUISE FACTSHEET

Offering a 4-stars cruise experience in Halong Bay, our 3-boats fleet will take you for an unforgettable discovery, offering the best program for visiting and enjoying the bay's natural wonders. Pelican 1 will operate since early 2012, while Pelican 2 and 3 will be launched later in 2012 and 2013.

With three similar boats providing 22 double cabins, ranging from 16m² to wider suites, our fleet's outstanding settings will be yours for the whole length of your stay on board, and our friendly and well trained crew will answer each of your requests to make your stay on board a warm experience.

Our restaurant is opened to serve you from breakfast to lunch and dinner, in a mix of Western and Vietnamese fine cooking, while the wide upper sundeck allows you to contemplate sunset while sipping an aperitif. State-of-the art security conditions are our guaranty for an unforgettable journey.

Equipment

- Private bathroom with hot water, hair-dryer, and all amenities
- Air-conditioning
- Mosquito net
- Complimentary drinking water
- State-of-the-art security devices, including in-room oxygen tubs

Pelican Safety Policy

Highest security standards will be provided through state-of-the-art equipments and a continuous coaching of the crew. The fleet's vessels will operate the latest electronic devices to operate safe cruises in all sea and weather conditions: sonars and radars, engines' control and fire detection will prevent any sort of possible damage on the boats: Alarm devices linked to a central monitoring system, smoke sensors and fire extinguishers, hydrants and hoses, life jackets and clear emergency instructions. Local and international crew will be trained to implement clear safetyprocesses, while a speed boats' fleet will be ready 24/24 to operate emergency rescue.
